AGU Editorial Team. For assistance with submitted manuscripts, file specifications, or AGU publication policy please contact earthsfuture@agu.org.

For submission instructions or to submit a manuscript visit: <http://earthsfuture-submit.agu.org/cgi-bin/main.plex>.

The journal to which you are submitting your manuscript employs a plagiarism detection system. By submitting your manuscript to this journal you accept that your manuscript may be screened for plagiarism against previously published works.

Earth's Future accepts articles for Open Access publication. Please visit <https://authorservices.wiley.com/open-research/open-access/about-wiley-open-access/index.html> for further information about Open Access.

Publication Charges. The publication charge income received for *Earth's Future* helps support rapid publication, allows more articles per volume, makes possible the low subscription rates, and supports many of AGU's scientific and outreach activities. Publication charge information can be found here: <https://www.agu.org/Publish-with-AGU/Publish/Author-Resources/Publication-fees>. There is no charge for color in any format.

Open Access and Copyright. All articles published by *Earth's Future* are fully open access: immediately freely available to read, download, and share. All articles are published under the terms of a Creative Commons license.

Copyright on any research article published by *Earth's Future* is retained by the author(s).

Further information about open access licenses and copyright can be found at: <https://authorservices.wiley.com/author-resources/Journal-Authors/licensing/licensing-info-faqs.html#4>. Information on the licenses used by *Earth's Future* can be found at: <https://agupubs.onlinelibrary.wiley.com/journal/23284277>.
